Introduction

This is the Gospel according to John the Apostle and he describes himself as the disciple whom Jesus loved. This text is known as the Miracle at Cana of Galilee. It's amazing to me that our Lord and Savior decided to perform His first miracle at a wedding. The Lord's first miracle could have been many things but He chose to be at a wedding in Cana of Galilee.

Conclusions

God has called Christians to be the light of the world. Christians should be an example in marriage to world in darkness who does not know Him. We should not have the same mentality as the world because we belong to the Lord.
