

A Heart for Marriage

LOVE YOUR MATE,
THE WAY GOD INTENDED

A Heart for Marriage

In the Beginning God created a design for Family in what we as Believers recognize as the First Marriage in the Garden of Eden. God gave order and Instruction for Mankind within this Marriage. Because of disobedience within this marriage, Man's relationship with God was forever changed. Since sin entered the World, God has used Marriage as a way to Prepare Believers, to one day stand before Him as Mature and Developed Saints. As we discuss Having a Heart for Marriage, we will see how Marriage can always be used as an indicator of where we are in our Spiritual development with God.
