# I REMEMBER CHRISTMAS

## DIRECTOR'S NOTE

We began working on Christmas in July. Creative Jams came together and met to discuss what topic the Christmas show should be about. What you will see tonight is our effort to bring you a show that addresses real life challenges, and to always strive to keep Christ first. That is always the goal.

For my part in our creative process I really had it in my heart to speak to those who go through really difficult health challenges. Shout out to Ella James who inspired part of our story. Always praying for you Ms. Ella!

This has been a rough year for many people. Our cast and crew all struggle with something, as do each of you I'd imagine. The beauty in serving together is that we are there for one another through all of the hard times. The Drama Ministry is a family, we work hard and we pray hard. We'd love to have you become a part of our family, so come find me. There is plenty of work to do! (We look forward to serving the Women's Ministry in 2023 for the Women's Conference!)

To all involved in this show, I want to thank each of you for your sacrifice of time. To each of your family members who miss you while you're at church rehearsing, I thank you. It's not about us, it's about Jesus and we want to minister in excellence because He deserves all of that.

Personally, super shout out to my husband Michael Washington who supports me unconditionally. He's amazing and I couldn't do what I do if he didn't have my back. I love you Sugar!

Lastly, the unimaginable loss of Pastor Young has been difficult. I will truly miss his leadership and guidance. That little laugh as he would say, "If you really want to do it like that..." Thankfully, "we do not grieve as those who have no hope", so we move forward but miss him in big and small ways. He touched so many lives, he will never be forgotten. We continue to pray for Kim and the kids.

Christmas can be a hard time especially if you have lost a loved one. We pray that our show will lift your spirits and remind you of Joy and the reason for the season.

It's a privilege to serve in this capacity. I'm grateful and I love you all!
