## DIRECTOR'S NOTE

Serving in the LWFC Drama Ministry has been such a blessing in my life. I believe Drama (the art form) has the ability to pierce the mind, the heart, and even the soul. Through this powerful ministry, we are able to deliver dynamic works in such an artistic way that reminds us all of God's sovereignty and His love for us. It is always my hope, that with each step we take in ministry, God is magnified to the utmost! Thank you for taking this journey of love, hope, and faith with us.

Rita L. Hughes, M.A.
